## Microsoft Encarta Encyclopedia

### *British Edition*

For just £19.99 per year\* you can receive each new version of **Encarta Encyclopedia**. This best-selling encyclopedia is written and edited in Britain, by a team of more than 45 full-time staff. It contains the equivalent of more than 30 volumes of a traditional print-based encyclopedia, with thousands of articles being updated each year. In addition to the articles, Encarta Encyclopedia contains unrivalled multimedia including photos, illustrations, maps, videos, animation, and sound, which help in both understanding and learning. On top of all that it is also a guide to thousands of Web sites, all of which have been checked and confirmed to be relevant to the articles in Encarta Encyclopedia.

## Microsoft Encarta Encyclopedia

### *Deluxe British Edition*

For just £39.99 per year\* you can experience Encarta Encyclopedia Deluxe. Developed from user feedback, the Deluxe version is the ultimate learning resource for you and your family. Written and edited in London by a team of more than 45 people, this expanded version contains all the content and multimedia in the standard version PLUS more homework tools, National Curriculum guides, more in-depth exploratory articles, 3-D tours of famous buildings, AND more articles, videos, photos, animation clips, sounds, and interactive features. It also includes all the Web Links, and FREE monthly article updates from the Web.

## Microsoft Encarta Reference Suite

For just £69.99 per year\* we can now offer you the most comprehensive PC reference library—Encarta Reference Suite. Written and edited in London, the Reference Suite contains all the articles, multimedia, and homework tools of Microsoft Encarta Encyclopedia Deluxe, plus Encarta World Atlas, the richest and most detailed geographic reference available in any medium. PLUS Microsoft Bookshelf, the quickest way to access a dictionary, thesaurus, book of quotations, and French–English and German–English translation guides. Encarta Reference Suite will help you to find all the information that you want, learn more through engaging multimedia features and content, and do more with useful research, writing, and homework tools.
